

OUTSTANDING AQUATIC FACILITY DESIGN/RENOVATION AWARD 2020 ENTRY INFORMATION

ENTRY GUIDELINES:

- All aquatic facilities being submitted must have been designed/renovated within five (5) years of the year of submittal. For 2020, an aquatic facility must have been designed/renovated in the year 2015 or proceeding years.
- All entries must be submitted electronically using the link found below.
- Entries may be for either renovation of a facility or a brand new facility.
- Photos may be uploaded with your form submission
- The Aquatic Section Board reserves the right to disqualify any entry, without notification, which does not meet the criteria or format as presented in the official entry guidelines. Please call if you need clarification on the required format.
- An entry may only be submitted for consideration for two (2) consecutive years.
- Entries are required to be submitted by a current WPR member agency or an individual WPR member registered with the Aquatic Section. Commercial members are encouraged to submit an entry for a project they helped design. Awards will be given to the agencies listed on the official entry form when submitted.
- The top overall entry based on the criteria listed below will be recognized for their design/renovation excellence. There will be no ties.
- Entries shall be limited to five (5) written pages and two (2) additional pages of supporting information.

CRITERIA FOR JUDGING:

Entries will be judged on the following criteria:

Goals and Objectives: (10 Points): What was the purpose or intent of the design and how was it obtained?

Facility as a Whole: (10 Points): Describe the beach/pool itself, buildings and amenities.

Effective Use of Resources: (10 Points): How was the facility financed? Tax dollars, donations, or grants.

DEADLINE INFORMATION:

All entries must be received no later than Friday, May 1, 2020

HOW TO APPLY:
