

AQUATIC TECHNICIAN WORKSHOPS

Brought to you by the Wisconsin Park & Recreation Association Aquatic Section, this Workshop is ideal for any aquatic professional who is responsible for the maintenance and/or operation of indoor or outdoor aquatic facilities.

Whether you are a seasoned professional or new to the technical side of pool operations, you will be sure to gain valuable insight and leave with great information you can apply back at your facility.

Need Continuing Education Credit for CPRP or AFO Group A? This is a great opportunity to get .4 CEUs in one day!

TWO DATE OPTIONS AVAILABLE.

EACH DATE WILL COVER THE SAME INFORMATION

FRIDAY, APRIL 5, 2019 – Waunakee

\$25/person WPRAs Agency Members

\$35/person Non-members

8:15-8:45 am – CHECK-IN/MORNING REFRESHMENTS

8:45-9:45 am – POOL CODE - WHAT IS A CLOSABLE OFFENSE? (.1 CEU for CPRP or Group A AFO)

Speaker: Samantha Fiscus, Division of Food & Recreational Safety, WI Dept of Agriculture, Trade and Consumer Protection

Has your pool ever been closed by your health inspector and you're not exactly sure why? ATCP 76.30 lists 6 general pool closing criteria topics that include multiple scenarios or violations that would warrant pool closure. Find out about what you can do to prevent pool closures.

10:00-11:00 am – POOL INVESTIGATIONS (.1 CEU or Group A AFO)

Speaker: Samantha Fiscus, Division of Food & Recreational Safety, WI Dept of Agriculture, Trade and Consumer Protection

This is a two-part presentation. Part 1 includes information regarding serious injury, drowning, near-drowning and death investigations. We will review the process of an investigation, what type of event triggers an investigation and the data that was gathered and analyzed based off the investigations performed over the last 5 years. Part 2 of the presentation addresses the top violations from 2017 and how you can prevent those violation from occurring at your pool.

11:15-11:45 am – DOG SWIM EVENTS

Round table/discussion on changes/requirements in dog swim events with *Samantha Fiscus, Division of Food & Recreational Safety, WI Dept of Agriculture, Trade and Consumer Protection*

12:00 to 12:45 pm – LUNCH PROVIDED

1:00-2:30 pm – ENERGY SAVINGS FOR THE AQUATIC FACILITY (.1 CEU for CPRP or Group A AFO)

Speaker: Carrico Aquatic Resources and Edison Energy

Discussion on how to achieve maximum energy savings and the types of incentives available for your facility.

Carrico Aquatic Resources will discuss:

- *The Natatorium Communication and Control System (NECCSYS)
- *Energy savings achieved with NECCSYS
- *The process to determine what energy savings will be achieved
- *Who your contacts are to get you started

Edison Energy will discuss:

- *Types of Focus on Energy Incentives that are available
- *How to get an independent evaluation of your facility
- *Retro-Commissioning - what is it and how do I get evaluated?

2:45-3:15 pm – PREVENTATIVE MAINTENANCE SCHEDULES (.1 CEU for CPRP or Group A AFO)

Speaker: Carrico Aquatic Resources

Proper maintenance for valves, filters, O-rings, hydrostatic valves, pool basin repairs, etc. How to make sure your pool's life is long and you get your money's worth.
