 - Special YPN Joint Conference Call—Come join us next week on Tuesday, November 20 from 2-3 pm for a special joint Young Professional Network (YPN) conference call. Once every quarter the WPRA YPN hosts a conference call that is free to all WPRA members. In these conference calls we talk about various topics affecting professionals in the parks and recreational field. This conference call will feature professionals from the Wisconsin, Minnesota, Missouri, and North Carolina Young Professional Networks. This is a great way for our professionals located in Wisconsin to get ideas and tips from other professionals in other states. If you are interested in joining the call just call 941-715-3580 at 2 pm and utilize the access code 356073.
 - Young Professional Network Mentorship Program—The WPRA Young Professional Network (YPN) is looking forward to hosting its first ever WPRA Mentorship Program. This program will take place from January – May in 2019. The program features a three-person approach including early career, mid-level career, and distinguished/retired professionals, placing a professional from each level in a mentoring team. This is a great opportunity for professionals from all backgrounds to learn from one another and grow with one another. Throughout the program there will be a series of 3 in person meet-up events and two meet on your own events that will be scheduled to provide each mentor team time to set goals, build relationships, and share experiences. It is only \$30 to sign up for this event. The \$30 covers all activities, food, and speakers for the entire program. Please sign up via the WPRA website by Friday, December 14.
