

PARR 3 members,

Baraboo will be hosting the April PARR 3 meeting as the original host was unable to host. The meeting will be held at the new Buffalo Phil's Grille in Lake Delton. Jim has a couple of things for the agenda and I have provided some time for roundtable discussion as well as a tour of the facility which includes Knuckleheads amusement area.

Buffalo Phils is located off of Gasser Road which you access by turning left (west), if heading north at the McDonald's stoplight in Lake Delton. You will see the large Buffalo sign on the front of the building.

I need to give them a number for donuts, ect., which they want by noon on Monday. I know it is always a pain, but could you please reach me by noon on Monday if you plan on attending the meeting. If there is something you would like on the agenda, let me know. Thanks.
