

Wisconsin Park & Recreation Association CEU Request

WPRAS aligns itself with the national policy regarding CEU approvals. WPRAS will approve CEU for events conducted by WPRAS, including all Section, Region and Committee activity. CEUs will not be approved for events conducted by external entities, separate from WPRAS. *Since WPRAS is not an accrediting body, it cannot provide absolute assurance that your event meets the learning objectives required by NRPA.*

The WPRAS Office must receive this prior to the event and the WPRAS Office must approve the CEU Request. Please submit any additional handouts as well.
